

Wild Acres Goldendoodles health warranty:

Wild Acres Goldendoodles guarantees that at the time of delivery or pick up the puppy is in excellent health. Each puppy is thoroughly examined by our vet at 7 to 8 weeks of age. This includes a full body exam hips, elbows, ears, eyes, mouth, teeth, heart etc. The puppies will have also received 4 deworming's every two weeks while we have them, and their first set of vaccinations before leaving our care.

All of our puppies have a two year health warranty, listed below:

Our puppies to be free from life-threatening or debilitating congenital or hereditary defects for a period of two years from the date of birth.

Your puppy is also guaranteed for 48 hours (2 days) after leaving the seller's care against any kind of preventable illnesses. In the event of a health issues within 48 hours the buyer is required to take the puppy to a licensed veterinarian or this guarantee will be void.

If the puppy is determined to be in poor health, the buyer will be given the option of (a) keeping the puppy and assuming all cost for its care, or (b) returning the puppy along with medical documents for a replacement puppy, when a like puppy of the same breed and sex of equal or Lesser Value is available. All costs incurred are the responsibility of the buyer.

In the event the buyer chooses to keep the puppy, the Seller will be fully released from any future liability towards that pet. No refunds will be given.

The puppy will have current wormings and vaccination(s) at the time of delivery. It is the responsibility of the buyer to keep the vaccinations and wormings current by a licensed Vet. Some disorders that may be caused by environmental factors, for example: allergies, thyroid dysfunction, demodectic mange, and other autoimmune disorders that are not covered by this guarantee. The seller is not responsible for stress-related illness such as hypoglycemia, colds, coccidia, giardia, nor kennel cough. This is a limited two-year guarantee and there is no guarantee against negligence or injury.

To ensure immunity against diseases, please do not take the puppy into public places unless absolutely necessary until the puppy has had all its vaccinations (as recommended by your veterinarian). The Sellers will NOT be responsible for factors beyond their control, including, but not limited to: Negligence, cruelty, accidental injury, exposure to disease carrying animals, stress, hypoglycemia, kennel cough, retained baby teeth, umbilical hernias, un-descended testicles, inguinal hernia, or any other expense except as otherwise provided by law or in this agreement, the following conditions MUST be met for the guarantee to remain in effect. If they are not met then you will have voided your guarantee and it will not be honored:

1. The guarantee applies to the original purchaser of the puppy only.
2. The puppy receives veterinary care at periodic intervals to include regular checkups, worming, heartworm, and the continuation of the vaccinations series already started.
3. The puppy receives daily amounts of quality food and fresh water.
4. The puppy is housed in a suitable shelter typical for its breed and protected against extreme weather conditions.

5. This health warranty contract is voided if this puppy becomes pregnant. In the event of puppy death, the buyer (at the buyer's expense) must provide the seller a letter stating the cause of death from two (2) unassociated veterinarians along with a copy of the necropsy report. If the cause of is determined to be due to a congenital medical condition, a replacement puppy will be offered. This guarantee is not valid if the puppy is sold or given to a third party.

I agree and understand this contract _____
